

## **Penclawdd Primary School Education Improvement Grant or RCSIG - Regional Consortia Support Improvement Grant 2022-23**

This plan focuses on raising standards for all, reducing the attainment gap, and delivering an education system that is a source of pride and public confidence, which are our overarching aspirations for education in Wales.

### **Actions:**

- Foundation Phase support staff classroom and intervention structure
- Classroom based intervention and focused groups sessions
- Provision of ongoing assessment strategies to monitor progress of all pupils
- Provision of effective literacy strategies such as Letters and Sounds, Talk for Writing, Ribbon Rumba, handwriting, write dance, Welcomm etc
- Provision of effective Numeracy strategies such as Numicon, focused groups, reasoning and shoot for the stars challenges.
- Encouraging independence, creativity and self-directed learning, through the foundation phase philosophy and our approach to planning, allowing all pupils to have a voice.
- Enabling pupils to use ICT/DCF skills effectively across the curriculum and areas of learning.
- Providing rich practical learning opportunities both inside and in the outdoors as appropriate.
- Teaching assistants deployed effectively to support all learners.

### **Success Criteria**

- Improved provision and attainment for learners in N-Y2 through developing integral skills to realise the four purposes.
- Maintain good staffing ratios to provide optimum levels of support for pupils
- Provide and deliver effective learning through play and group learning activities.
- Improved standards in Literacy, Numeracy, and Wellbeing & PSD.
- Increased pupil voice within the planning process resulting in improved pupil independence and self-directed learning.
- Increased rich learning opportunities provided in both the indoors and outdoors.
- Teaching assistants deployed effectively impacting on learning progress.
