Summer

What have we been up to

This term, we have been busy fulfilling our roles. We have been implementing our Mission Statement, **“Making a difference together – We are working together to improve our school and community. Through listening, discussing and taking action, we aim to make our school a better place for everyone, ensuring that all opinions and ideas are valued”** and we have been making a huge difference.

VE Day

We started the summer term by holding a VE Day event for the older generation in our community. The event was a huge success and we know our guests had a wonderful time – many thanks to the local businesses that supported the morning.

Siarter Iaith Aur

Later in the term, Mrs Davies and Jordan, our Minister for Welsh Language and Culture, led our Criw to success in achieving our Siarter Iaith Aur award. We have been working really hard to develop our Welsh ethos and love for everything Welsh including the language and

the culture. The Criw and Mrs Davies have worked really hard to drive this forward and we are so proud to receive this achievement.

Sponsored Fancy Dress Fun Run

Did you know that play is one of the most important aspects of a child's life?

Sienna, our Health and Well-Being Minister, has been surveying the children and we would love some new football goals, wall mounted basketball hoops and an outdoor reading area.

To raise the money, Sienna is organising a sponsored fun run on Wednesday 15th June! All money raised will go towards the play equipment for the yards!

Please come to school in your favourite fancy dress and during the day -
Nursery will run 1/2 km,
R/2 will run 1 km
3/4 will run 2 km
5/6 will run 3km
Prizes will be presented for the best dressed runner!

Please help us to make our play times even better!
Please ask friends, family and neighbours to sponsor your efforts!

Article 31 - We have the right to relax and play!
Many thanks,
Sienna - Health and Well-Being Minister

PIC-COLLAGE

Huge well done to all our brilliant runners — from Nursery to Year 6 — who ran their hearts out in style! The costumes were incredible, the energy was electric, and the smiles said it all! Diolch to all our families and friends who sponsored the children — we are so grateful! Watch some of the highlights in the link below!

First Minister Interviews

We were really excited to help with the interviews for our next First Minister. Our job was to ask the candidates some of our own questions. They listened carefully and gave us thoughtful answers, which helped us to understand more about them and what they would be like as a leader. It felt very special to be part of such an important process, and we are proud that our voices and questions were taken seriously. It was a great experience that we will always remember!

In addition to helping with the First Minister interviews, our Education Minister worked with Mrs Reynolds to help monitor SPaG in every class, making sure we are all improving our spelling, punctuation, and grammar. Our Environmental Minister supported Mr Miller and the Eco Wombles in working towards the Level 2 Eco Schools award, helping our school become even more eco-friendly. Meanwhile, the First Ministers, along with a few members of the Senedd, reported to the Governors about the progress of the Senedd this term and shared the positive impact their work has had on our school and the wider community.

As we come to the end of the year, we would like to say a huge thank you to everyone who has supported the Senedd and helped us make a difference in our school and community. Your support and encouragement have been amazing! We also want to wish the new Senedd the very best of luck for next year — we know they will do a fantastic job and continue to make our school an even better place for everyone.
