

Home Learning Missions

★ 1 Star Challenge

- Draw/ paint a flag from a country of your choice.
- Make a list of animals that are native to a particular country.
- Create your perfect meal for a country you have learnt about. Draw a picture of what it would look like.

★ 2 Star Challenge ★

- Enjoy a traditional meal from another country together.
- Find out about the tallest buildings in the world. Which countries are they from? Order them from smallest to tallest.
- Draw a picture of your house and a house in another country. What are the similarities? What are the differences?
- Write out the alphabet using countries e.g. America, Belgium, Canada, Denmark....

★ Galaxy Challenge ★

- Build a model of a famous building/ landmark from another country.
- Create an information poster about the something famous from another country e.g. Notre Dame, Empire State Building.
- Choose everyday items in your home and create a pop art painting of them (think about what we did in class).
