2025-2026

## School Development Plan Overview

Article 3

All adults should always do what is best for you.

### Priority 1

**Curriculum, learning and teaching**

**Vision and leadership**

To improve consistency and progression in the planning, delivery and evidencing of the current Digital Competence Framework (DCF), with a specific focus on Strand 1 (Citizenship), Strand 4 (Data and Computational Thinking), and Strand 3 (Producing), while supporting pupils to develop the foundational digital literacy skills needed to engage safely, ethically and critically with emerging technologies — including Artificial Intelligence (AI) — in ways that complement learning within Religion, Values and Ethics (RVE) and align with evolving national guidance.

### Priority 2

**Curriculum, learning and teaching**

**Vision and leadership**

To strengthen the teaching of Welsh oracy across the school, ensuring progression, fluency and independence from N-Y6 so that pupils make measurable gains in sentence accuracy, vocabulary and confidence

### Priority 3

**Vision and leadership**

**Wellbeing, equity and inclusion**

To strengthen staff self-evaluation and performance management processes, ensuring they directly drive improvements in teaching and learning.
