Penclawdd Primary School : Summer Term  
2026

Croeso nol i Dosbarth Pengwiniaid!! We are so lucky to have a class of such wonderful, happy children. All children have settled back in so well - we have heard lots of lovely stories about their Easter break! We will also be welcoming new Penguins to the family this term - we are so excited to get to know them! If you have any problems, or need anything, please let me know.

**Our April Right of the Month is**

Article 29 : The Right To Food, water and medical care

## Themes and Interests

As you know, we operate "In the moment planning." This approach to learning allows the children to explore their own interests, sparking great curiosity and engagement. This term we will also be exploring health and wellbeing and expressive arts. We are proud to offer a wonderful setting, with open ended resources for the children to interpret as they wish. We are seeing independent and confident learners in the making!

### Seesaw

We endeavour to upload to Seesaw as often as we can. I have PPA weekly and will aim to upload during that time.

Messages will be responded to during school hours.

## Penclawdd Primary School : Summer Term 2026

### Cymraeg

Cymraeg - Welsh - is an integral part of our morning. We have a Helpwr Heddiw each day who asks us lots of questions in Welsh. Lots of instructions are in Welsh, we check in in Welsh too! WE absolutely love to sing and we sing lots of Welsh with the utmost passion! We already have some Welsh experts in class!

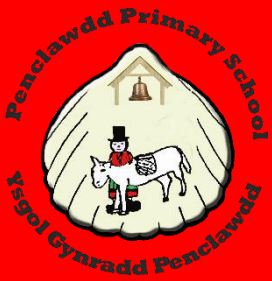

### Numeracy

We will be focusing on numbers this year - counting forwards and backwards, recognising them and even writing them! We will also be looking at shapes and sizes.

Please can all children have a coat in school every day, spares in bags and most importantly all labelled!! Diolch!!

## Literacy

Our focus this term is Oracy. We want the children to talk talk talk! We will also be focussing on books that explore how we feel, books that celebrate why we are all unique and where we live. We want to have rich conversations learning all about ourselves and each other. Every morning we will be doing Disco Dough and Ribbon Rhumba along side phonic activities. We have keen hand writers in class too so we will also be encouraging writing and forming letters correctly.

## Reading Books

Your child has a reading day. Please can you keep the book for a week, spending time reading and discussing what is happening in the story. Please send books in on the allocated reading day only. The children thoroughly enjoy spending time in our class library and certainly have a love for books!

## Forest School

We will have Forest School on Mondays. Please send in a puddle suit and wellies - named - to stay in school. This term we will be looking at growing and planting and exploring the change in season.

## PE

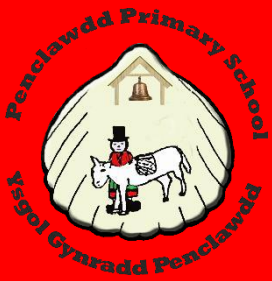

We will have PE on Fridays. Children can come to school in comfy clothes with trainers. During these sessions we will work on gross motor skills encouraging the children to be strong and independent.

## Health & Wellbeing

The main priority for us is to have happy healthy children. Children who love to come to school because they feel loved and safe. Please don't hesitate to get in touch with any problems.

## Fruit/Veg Snack - Healthy School Reminder 🍷

Please send in a healthy fruit snack daily - please remember we only have 10 minutes to eat - please cut any big pieces into small ones. Grapes must be in quarters. No crisps or chocolate. We have toast on a Wednesday.

Please remember NO NUTS!!

HOME  
LEARNING

## Home Learning

We ask that you read with child and talk lots!! I occasionally send little bits of homework home, These are some of the videos that we use in class if you would like to support their learning.
