## SPOTLIGHT ON ELSA PRIMARY SUCCESS

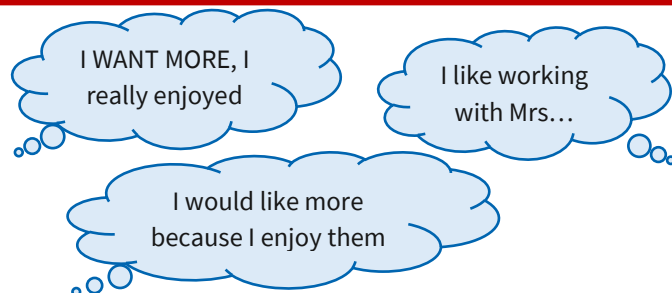

### Waunarlwydd

Waunarlwydd is running a very successful ELSA programme which began in September 2023. The aim of this summary is to highlight and celebrate key aspects of effective implementation.

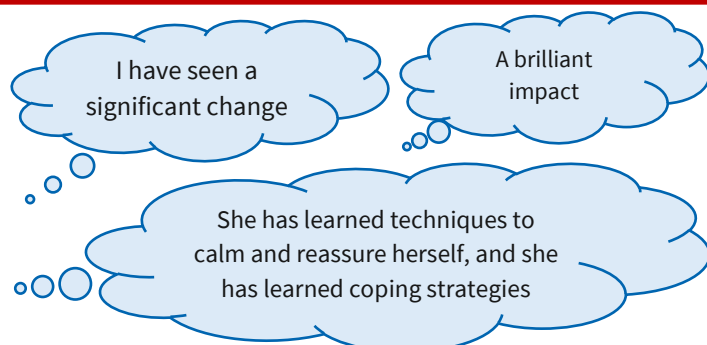

#### Identified elements of success

- Holistic approach: working and sharing strategies with parents, staff and pupils. Working collaboratively with governing body, link governors, SLT and staff
- Monitoring ELSA progress after intervention, offering follow up/ continued support through check ins
- Parent/ carer engagement and communication at multiple points during intervention, to support generalisation of strategies
- Gathering data from parents, staff and pupils to support ongoing development of quality
- 100% ELSA supervision attendance
- Consistently upholding ELSA quality standards
- Whole school commitment to ELSA providing 2 days a week for planning and delivering interventions
