N.B There are different systems in place for those displaying symptoms compared to those who are contacted by TTP.

What to do if....	Action needed	Return to school
<p>..my child has any of the Covid-19 symptoms</p> <p>The main symptoms of coronavirus are:</p> <ul style="list-style-type: none"> • a high temperature (this means hot to touch on your chest or back) • a new, continuous cough - this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours • a loss or change to sense of smell or taste - this means they cannot smell or taste anything, or things smell or taste different to normal 	<p>-DO NOT COME TO SCHOOL. -CONTACT SCHOOL TO INFORM US -Self-isolate the WHOLE household. -Get a test. -Inform school immediately of result.</p>	<p>...when the test comes back negative and when temperature has been back to normal for 48 hours. If your child is not tested, they have to stay off school for a minimum of 10 days and any siblings will need to stay off school for 14 days. If siblings then show symptoms, they start another 10 day isolation period. If your child has had symptoms of COVID-19 or a positive test, then they may end their self-isolation after 10 days and return to their normal routine if they do not have symptoms other than cough or loss of sense of smell or taste. If your child still has a high temperature, keep them self-isolating until their temperature returns to normal and seek medical advice.</p>
