

WELCOME to Penclawdd Nursery!

We will love you...

Mrs Nichola Davies - Teacher
Mrs Eileen Parkhouse -
Teaching Assistant

Our ethos is to learn through play and chatter!
We love to talk and we wholeheartedly love
to ask questions (and wait for a reply!). We
will love, nurture and encourage your child
to be the BEST that they can be.

Our Classroom...

I love our classroom because we can
make memories and have adventures!

We love to play...

Making cups of tea, serving hot scrumptious
pancakes and laying the table is something we
love to do! We love building towers and castles
- who knows we might well grow up to be an
architect! Whatever it might be through play
we use questioning and modelling to teach
your child. Having FUN is at the heart of our
very own curriculum!

Outdoor play is something we are
passionate about - whatever the weather
you will find us splashing in puddles,
making mud pies or perfecting our balance
on our bikes. We encourage risk (safely!),
gumption and set a growth mindset of
'I can'... one of our favourite catch phrases
is "you've got this!"

Things you need to know...

We as a school love to talk and communicate with our parents. We do this via an app called 'Seesaw'. You can download this app and I will share activities with you, class news and photos of your child in the setting. Through this we have been able to celebrate our learning and how it is also mirrored at home. We also love to tweet so follow us at @penclawdd - this way you can always keep up to date with all our school news! We will also ask you to sign up to squid - which is how you will receive school e mails.

Penclawdd Primary
@Penclawdd

School Uniform

Our school uniform consists of a red school jumper or sweatshirt and a white polo shirt. Pupils are encouraged to wear joggers or leggings as we will often be very active. School uniform can be purchased from Picton Sports. On a PE day please send your child in with suitable footwear for indoor and outdoor activities.

Our daily routines... Times 8.50-11.20am

Everyday we will...

- Play with playdoh to strengthen our fingers and hands
 - Participate in 'Ribbon Rhumba' to engage both sides of our brain to ensure we have great co-ordination
 - Have free play outside so we can engage our imagination
 - Sit at the table and eat snack so we can learn social skills and understand foods that make us healthy - we are a healthy school and exercise and eating healthy snack is paramount during our day
- Hand washing is a priority.

Our Foundation Phase Curriculum

The Foundation Phase Curriculum encourages children to use their imagination. We love to be creative it allows learning to be fun and more effective. Children are encouraged to explore concepts and share ideas for solving problems. Penclawdd Primary School actively encourages pupils to be independent and we adore individuality - by following the Welsh curriculum we develop healthy independent individuals whom have a love for learning. We are passionate about developing the love of Wales and do so through a medley of activities. Pupils will develop a cross curricula approach to learning through hands on exploratory play. We really do have a hoot!

OUR WEEKLY TIMETABLE...

Monday - Send in snack money please.

Tuesday - PE day so please ensure suitable attire.

Wednesday - Return sharing books.

Thursday - Well-being morning - the kettle will be on! No need to send in anything other than your child!!

Friday - Outdoor learning day - please send in waterproofs and wellies.

A happy face, a learning place, a growing space.
